

# Norse Accessories

- Remember accessorize, accessorize, accessorize!

# Brooches

- Turtle brooches.
- Used to hold up a Norse woman's over gown or apron dress.

# Beads!

- Glass, wooden and metal beads can be strung between both brooches.

# Needle cases

- Needle cases of bone or wood can be strung from the apron brooches. These brooches are made from lamb bone.

# More accessories

- Here we have a metal needle case as well as a pair of leather covered snips. These accessories are hanging from a handmade chain attached to apron brooches.
